RE: Docket No. 2005-191-E

Dear Mr. Terreni:

The purpose of this letter is to advise the Commission that Carolina Power & Light Company d/b/a Progress Energy Carolinas, Inc. ("PEC") supports South Carolina Electric & Gas Company's Petition for Rehearing and Reconsideration in the above-referenced docket. As explained by PEC's and the other utilities' witnesses during the hearing of this matter, the utilities routinely use requests for proposals ("RFPs") when in need of additional generating capacity. However, it is not in the public interest to require electric utilities to utilize RFPs in every instance when peaking capacity is needed because there are many instances in which an RFP simply adds no additional value to the resource selection process and will impair a utility's ability to act quickly to address a capacity deficiency situation.

Yours very truly,

/s/
